## Rotary Humour

### Marriage (Part I)

A typical macho man married a good-looking lady and after the wedding, he laid down the following rules: "I'll be home when I want, if I want and at what time I want and I don't expect any hassle from you. I expect a great dinner to be on the table unless I tell you that I won't be home for dinner. I'll go hunting, fishing, boozing and card playing with my old buddies when I want and don't you give me a hard time about it. Those are my rules. Any Comments?"

His new bride said "No, that's fine with me. Just understand my rules. There will be sex here at seven o'clock every night....whether you are here or not."

(She's good—she must be a Rotarian)
