Dave Merriman introduced Ann Stewart, Assistant Principal at J.R. Ingram Elementary School, for a program describing how she has used the concepts and attitudes associated with the Rotary Four Way Test to improve her school. Mrs. Stewart, a mother of four and holder of four Masters degrees in various areas of education, described these as "very difficult times" with many education support programs absent for several years in the future. Mrs. Stewart tries to establish a belief in the 3 R's, Respect, Responsible, and Ready along with the four statements of the Four Way Test. With help from Dave Merriman, a Four Way Test Poster and a commemorative Four Way Test cup has been placed in each classroom.

Mrs. Stewart was very complimentary of the Black Belt Visions program at J. R. Ingram which teaches self-discipline for children who are behaviorally challenged.
